

# DISASTER MANAGEMENT MANUAL

Health Care Emergency Management

District Hospital Pulwama

**Ms Mehmooba Mufti**  
**Hon'ble Chief Minister**

### *Message*

I am glad to know that the Directorate of Health Services Kashmir has taken the initiative of preparing the District wise “Disaster Management Manual” to serve as a reference handbook which deals with the protocols to be implemented and assigns specific roles and responsibilities to the officials working in different capacities in the districts, including the hospitals.

Considering the vulnerability of the state to disasters, there has to be an adequate level of disaster preparedness in various Government Departments. Health sector apparatus certainly is among the first and very vital response mechanism that needs to be in place for effectively mitigating the effects of any disaster.

I compliment Directorate of Health Services Kashmir for bringing out the Disaster Management Manual.

(Mehbooba Mufti)

**Minister Health & Medical Education,  
Jammu & Kashmir**

### *Message*

I am pleased to know that the Directorate of Health Services, Kashmir is bringing out maiden issue of its manual titled “Disaster Management Manual”. The manual is a comprehensive document which shall serve as a guideline in Disaster Management.

I am sanguine that this publication will be of great use to State Health Department and other allied Departments. It shall also help Legislatures and Panchayati Raj Institutions (PRIs) to understand and contribute at the apex level for an effective support and in its implementation in case of any eventuality.

I convey my good wishes and felicitations to everyone associated with this publication.

**(Bali Bhagat)**

**Minister of State for Housing &  
Urban Development Deptt.,  
Health & Medical Education and  
Social Welfare Deptt., J& K**

### *Message*

I am pleased to note that the Directorate of Health Services, Kashmir is bringing out its important document “Disaster Management Manual”. I hope this publication will provide inputs and technical guidance to the Health and other sister departments involved in Disaster Management. This manual will prove a handy tool not only to Health department but to the entire Disaster Management System.

I appreciate the efforts of Director Health Services, Kashmir for publishing this important document.

*Asiea Naqash*  
MAY 2021

**(AsieaNaqash)**

Commissioner/Secretary,  
Health and Medical Education, J&K.

### *Message*

I am pleased to know that the Directorate of Health Services, Kashmir is publishing a significant “Disaster Management Manual”. J&K State is always under a sustained threat due to its geographical location and inclement weather conditions.

I am hopeful that this publication will be of great use to all the stake holders who are directly or indirectly involved in Disaster Management in the State.

I convey my best wishes and greetings to Director Health Services, Kashmir for this vital publication which will serve as a means of reference and facilitate in planning the Disaster Management interventions for the future as well

**(Dr. M.K. Bhandari)**

**IAS**

**MBBS, MPH**  
**Director Health Services,**  
**Kashmir**

### *Message*

It gives me immense pleasure to publish this document titled “Disaster Management Manual”. Our rendezvous with frequent disasters/disaster like situations, be it devastating floods of 2014 or recent unrest in the valley has imparted us a vast experience in its management with some incredible innovations.

The cohesive and tireless efforts put in by Health Department during these trying times to deliver complete health care at the peripheral level stands as a testimony. Directorate of Health Services Kashmir has already started training in disaster management at Regional Institute of Health and Family Welfare, Dhobiwan, Baramulla where doctors, Para-medics and support staff are regularly trained.

Hence, this comprehensive document “Disaster Management Manual” shall provide a technical edifice which will prove to be a beacon light for others to follow. Accordingly, Healthcare Emergency Management Plan was made for each District Hospital and Chief Medical Office separately, keeping local needs, topography and resource availability into consideration.

I extend my best wishes to the editorial board and appreciate the remarkable devotion and dedication shown by Medical Superintendent District Hospital Pulwama Dr. Abdul Rashid Para in compilation of this manual. I would also like to seize this opportunity to appreciate the innovations made with regard to Disaster Management by the officials of Directorate of Health Services Kashmir involved with the process of compiling and framing of the “Disaster Management Manual”.

Dr. Saleem-ur-Rehman

## **District Pulwama:-**

- **Map:-**

## Health Institutions of District Pulwama

## Background of District Pulwama:-

Population of District	5.60 Lakhs (census 2011)
Catchment Areas of District	1090 Sq Kms
Number of villages in District	327 Year 2012-13

## Topography:-

The district is surrounded by hilly terrain, which is 2000 Mtrs. above sea level. As per altitude from sea level the district can be divided into three zones i.e. Zone First falls upto the level of 1700 meters. Zone Second falls between 1700 to 2000 mtrs, and Zone Third above 2000 mtrs. Zone First covers the entire area of Tehsil Pulwama, Pampore and a portion of Tehsil Tral. Zone Second major portion of Tehsil Tral is falling under this zone. Forests extending upto alpine height fall in zone Third with a number of meadows. The river Jhelum passes through this district from Anantnag to Srinagar. The water of river Jhelum, a navigated channel is utilized for irrigation purposes through lift irrigation system. The maximum rainfall as recorded in district during the schedule year 1998 was 772.30 mm.

Most of the higher reaches in Tehsil Tral experience early snowfall in winters. The district experiences rainfall during the winter and early summer from western disturbances & monsoon rains from July onwards. The district has met with severe drought since a couple of years also.

## Disaster vulnerability

<b>Earthquake :-</b>	
1. Past History	Yes
2. Frequency	Zone IV (High Risk Zone)
3. Impact	Whole District.
4. Vulnerability	100 % of District Population
<b>Floods/Flash floods:-</b>	
1. Past History	Yes.
2. Frequency	Likely (Rainy season April- Aug)
3. Impact	Jhelum Belt Throughout its Course
4. Vulnerable Population	1/3rd of District
<b>Drought:-</b>	
1. Past history	Yes(Summer season)
2. Frequency	Likely.
3. Impact	Whole District
4. Vulnerable Population	Whole District
<b>Landslides / Landslips:-</b>	
1. Past History	Yes(Rainy season)
2. Frequency	Very likely.
3. Impact	Household and village.
4. Vulnerable Population	8% of the district, higher reaches of District.
<b>Wind Storms:-</b>	
1. Past History	Yes
2. Frequency	very likely.
3. Impact	Household and village.
4. Vulnerable Population	8% of the district, higher reaches of District.
<b>Building Fire:-</b>	
1. Past History	Yes
2. Frequency	Very Likely ;spring, summer
3. Impact	Household
4. Vulnerable Population	10% of whole District Kutch House
<b>Accident</b>	
<b>(i)Road</b>	
1. Past History	Yes
2. Frequency	Likely
3. Impact	Whole District
4. Vulnerable Population	Travelers, Pedestrians
<b>(ii) Air</b>	
1. Past History	Yes
2. Frequency	May be
3. Impact	Air base Awantipora is very close to many villages and any air disaster can be detrimental to inhabitants adjacent

	to the base.
4. Vulnerable Population	District Pulwama is a major corridor connecting domestic flights with the national capital and other northern airports. Hence, susceptible vulnerable population along the corridor is at risk.
<b>(iii) Rail</b>	
1. Past History	No (Newly Established Rail Link)
2. Frequency	Maybe
3. Impact	Household
4. Vulnerable Population	Frequent Travelers
<b>(iv) Water</b>	
1. Past History	Yes
2. Frequency	Likely
3. Impact	Household
4. Vulnerable Population	River Ferries
<b>(v) Industrial</b>	
1. Past History	Yes
2. Frequency	Likely
3. Impact	Industrial Complex Lassi Pora and Cement Plants at Wuyan, Khrew etc Gas Plant at Pampore Stone-quarries who engage in blasting around the hill tracks in higher belts of Pampore, Awantipora
4. Vulnerable Population	Industrial Workers
<b>Epidemic</b>	
1. Past History	Yes
2. Frequency	Likely
3. Impact	Household, Panchayat
4. Vulnerable Population	All
<b>War conventional</b>	
1. Past History	Yes
2. Frequency	<b>May be</b>
3. Impact	Tehsil & Vital Installation
4. Vulnerable Population	Whole District
<b>Civil Strife/Stampede</b>	
1. Past History	Yes
2. Frequency	May be
3. Impact	Tehsil to Whole District
4. Vulnerable Population	Whole District

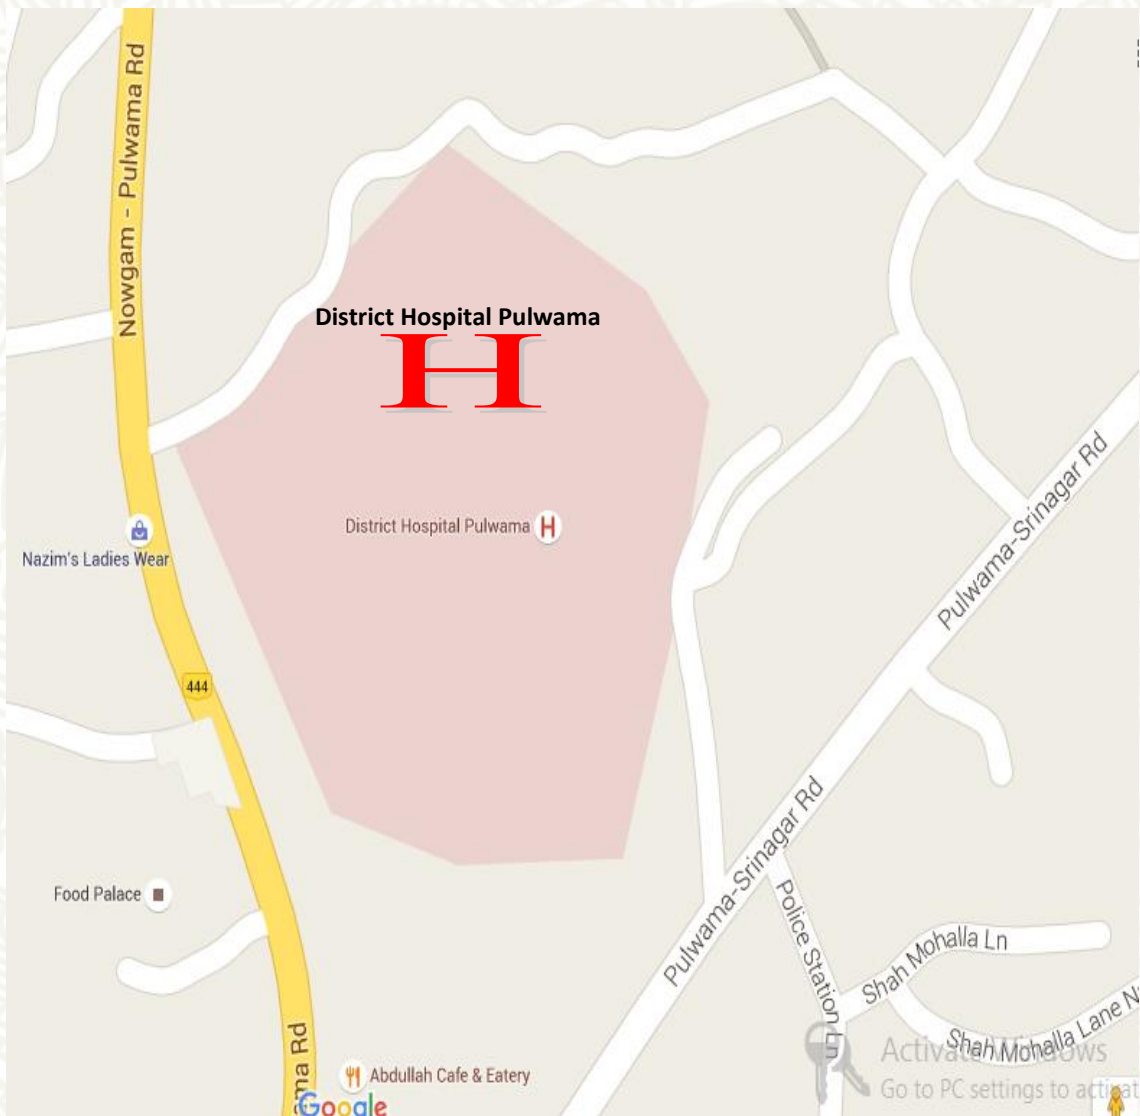

## A. District Hospital Pulwama:-

### 1. About District Hospital Pulwama:

The construction of OPD building of District Hospital Pulwama was started in year 1984 and was inaugurated by Hon'ble Ex. Chief Minister Dr. Farooq Abdullah on 8<sup>th</sup> of April, 1988 and was made functional on the same date. After that a separate casualty block was constructed and made functional in the year 2014 and 100 bedded IPD block is under construction. Presently, the hospital is functioning round the clock.

### 2. District Hospital Location:-

### 3. Hospital Capacity:-

#### A. Infrastructure Resource

- **Total Bed Capacity (60):-**
  - Surgery 12 beds
  - OBG 30 beds
  - OTs 04 tables
  - Casualty 13 beds
  - ER 05 couches
  - Post Operative 04 beds
  - SNCU 08 beds
- **Operation Theaters-**
  - Major OT's 4 ( OT Tables)
  - Minor OT's 1
  - Dressing 1
- **Wards**
  - Casualty
  - Post Operative Surgery
  - OBG
  - SNCU
- **Radiology**
  - X-ray- 3 (2 portable)
  - USG- 1 (Color Doppler)
  - ECG- 2 (one Portable)
- **Laboratories: Base line**
  - Biochemical
  - Serological
- **Blood Bank**
  - Total Storage Capacity- 300 pints

- **Water Supply**

Total Capacity      40,000 ltrs

- Overhead
- Ground
- Underground
- Direct Supply (PHE)

- **Electricity Supply**

- Main supply through hot line.
- Transformers                      250 KVA
- Generator Back up
  - 125 KVA
  - 50 KVA

- **Ambulances**

- 3 on road
- 2 off road
- Hiring of two vehicles (under NHM)

- **Emergency Room and Casualty Area:-**      3800 Sq ft

- Wheel Chairs/Stretchers      10 & 10
- Triage Area      400 Sq ft
- Equipment in ER
  - Defibrillator –      1
  - Portable Ventilator –      2
  - Spinal Board -      2
  - Oxygen Flow Meter –      2
  - Drip Stand –      2
  - AMBU Bag
  - Adult-      2
  - Paediatric -      2
  - Laryngoscope

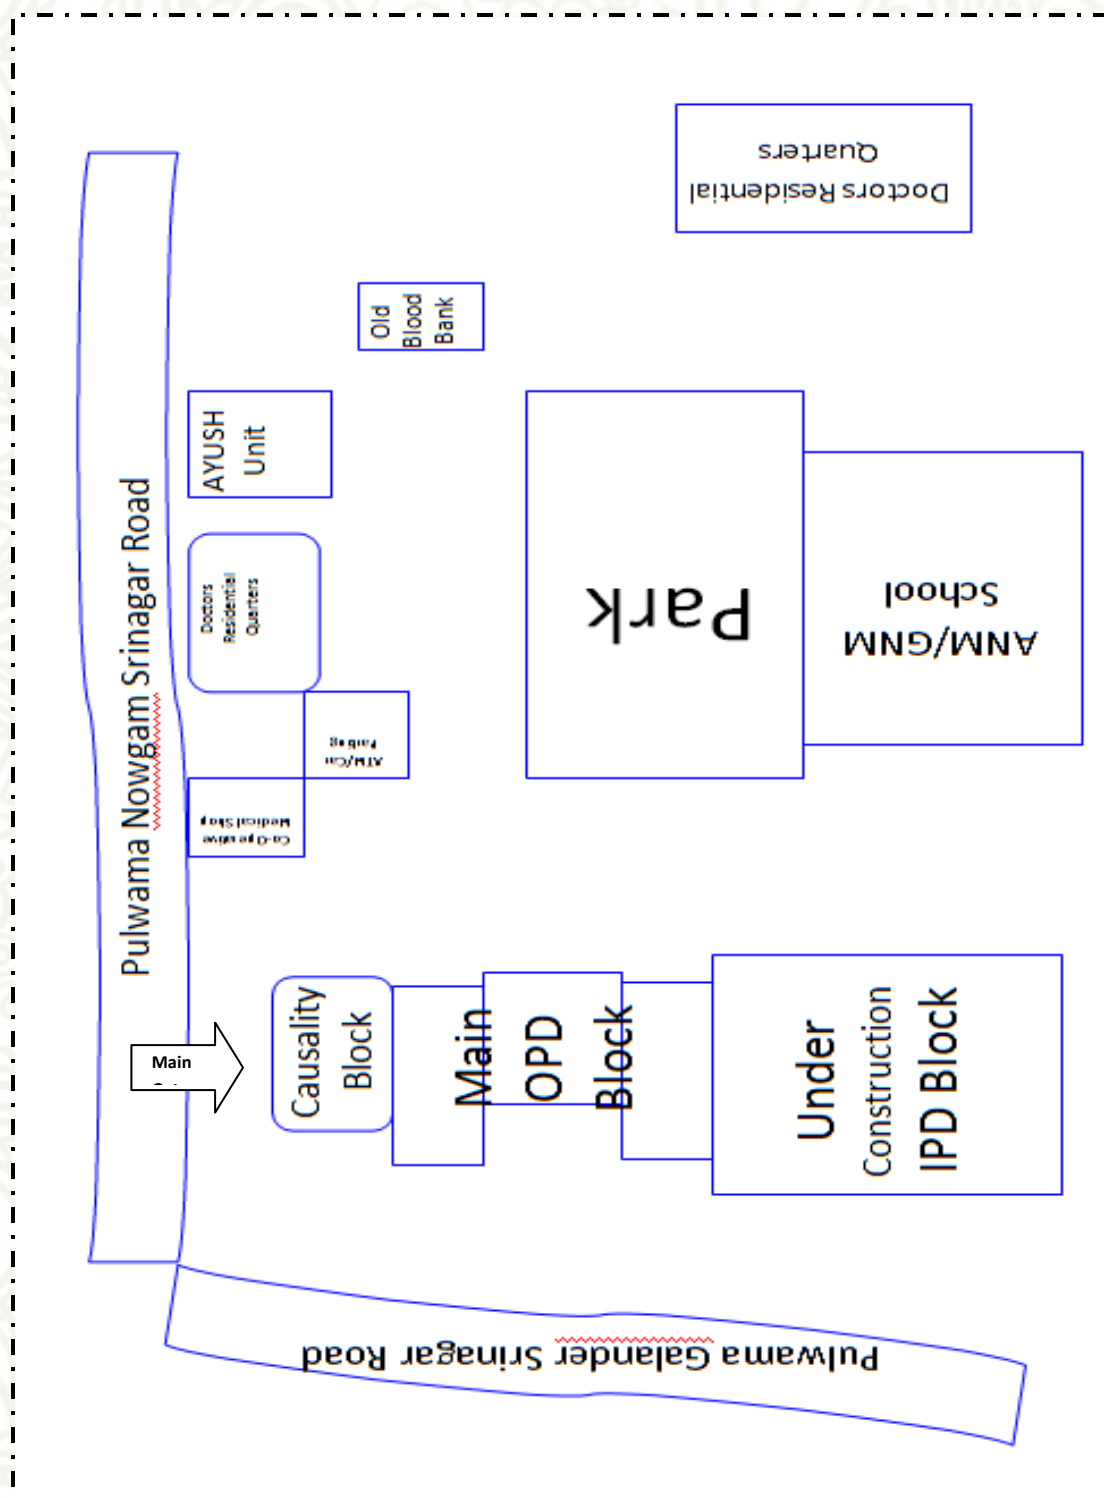

- Adult- 2
- Paediatric- 2
- Electric Stabilizer – 1
- Resuscitation Set – 2
- Suction Apparatus – 2
- Stool Double Step- 2
- Oxygen Cylinder – 2
- B.P Apparatus – 1
- Crash Cart Trolley – 2
- Monitor – 1
- Wooden Beds – 5
- Patient Trolley – 2
- Screen- 3
- **ANM/GNM School**
- **Under Construction IPD Block**

### B. Manpower

- Consultants 18
- Specialists MO 20
- Medical Officers 16
- Pharmacist 07
- Nursing Staff 10 +10(NHM)
- OT Technician 04
- Nursing Orderly 11
- Other Class IV 7
- Drivers 6
- Carpenter 1
- Electrician 1
- Plumber 1

#### 4. Graphical Representation /Drawing of the Existing Hospital:-

## 5. Floor Wise details of Hospital Buildings:

### a. Casualty Block

#### i. Ground Floor:

1. Registration Section.
2. Dressing Section
3. Processing/Collection/Reporting Laboratory
4. ER Room
5. Casualty Ward
6. Paramedical Night Room
7. Doctor's Duty Room

#### ii. First Floor:

1. Surgeon's Night Room
2. Sisters' Night Room
3. Surgical Ward
4. Blood Bank / ICTC Center
5. Minor OT (Minor Operation Theater)
6. Post Operative Surgical Ward

### b. Main OPD Building

#### i. Ground Floor

1. Drivers Room
2. Injection Section
3. USG Section
4. Dispensary/Jan-Aushadhi Drug Store
5. X-Ray/ECG.
6. OPD of Surgery, Dental, Ortho, Dermatology, Homeopathy (ISM), General OPD.
7. OBG- OPD
8. Labour Room

9. Post Operative OBG Ward
10. SNCU
11. Private Security Room.
12. General Drug Store

## ii. **First Floor**

1. Medical Superintendent Office
2. Other Administrative Offices
3. OPD of Psychiatry, Ophtho, ENT, Physician, Immunization, Pediatrics.
4. NCD Clinic
5. DEIC
6. Store Office
7. Operation Theaters (OBG, Ortho, ENT, General & Ophtho).
8. Post Operative Recovery Ward.

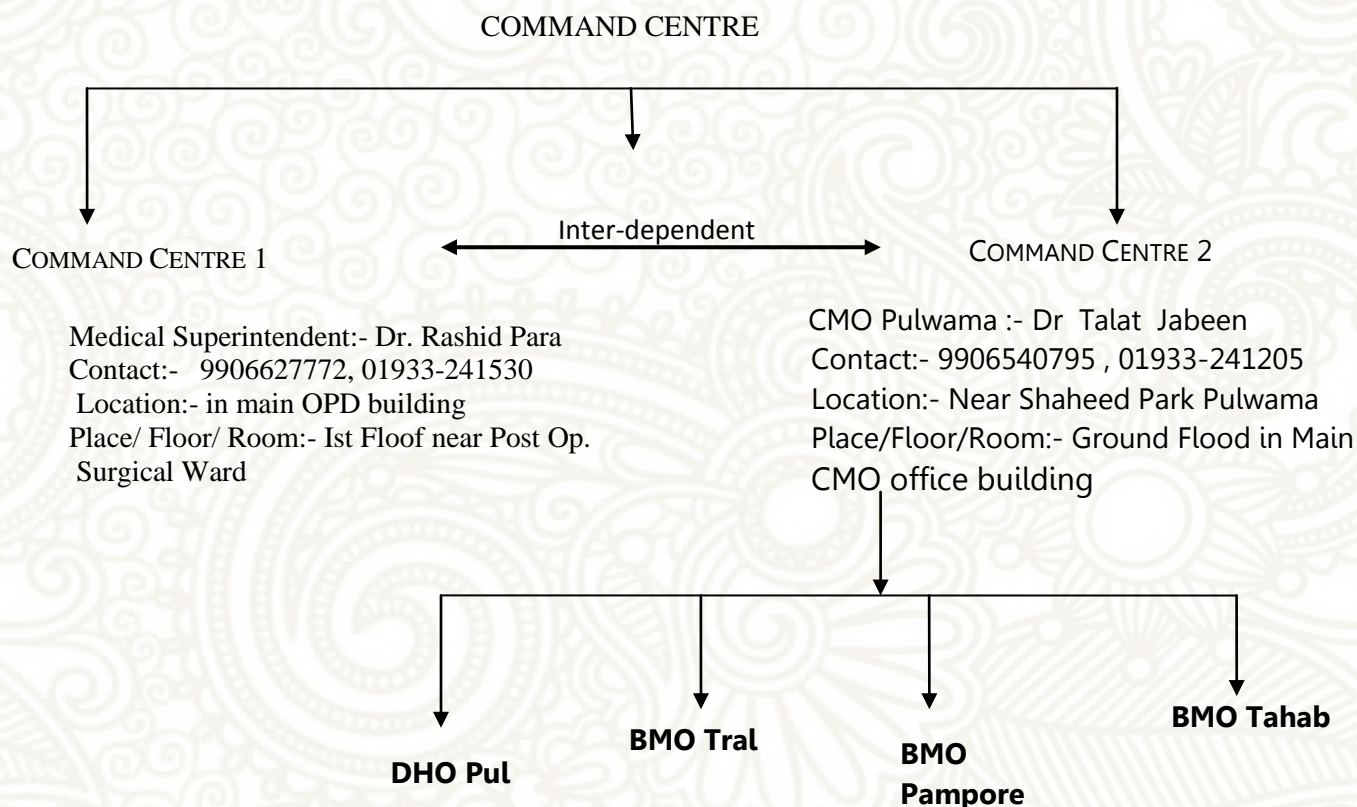

## **6. Space near to the hospital that can be utilized in case of mass disaster**

Park in front of main Hospital Building, about 10,000 Sq Mtrs.

- Darul Huda Masjid Ground 75 mtrs from DH Pulwama, location opposite to DH Pulwama.
- MMET School 100 mtrs from DH Pulwama, location opposite to DH Pulwama.
- Govt Boys Degree College 400 mtrs from DH Pulwama
- Sports Stadium 450 mtrs from DH Pulwama

## 7. Hospital Emergency Plan:-

### Communication Office /Control Room of Command Center :

- Communication office will have Mudasir Hamid-9419068937 (DEIC Manager) and Khursheed Ahmad -9596188997 (DEO) and Control Room Officer Mr. Gh Nabi Shah-9419048785 (Section Officer)
- Control Room will display all important contact Numbers inside/outside control room.
  - District Administration
  - District Police
  - Fire Services
  - Home Guard
  - PHE and R&B
  - Traffic Police
  - Army/BSF/CRPF

- Air Force
- CAPD
- Divisional Office RTO
- Local NGO/Volunteers:-
  - J&K Rehmat Social Welfare Organization Shadimarg-9858321759
  - Haleema Institute Pulwama-01933-240202
  - J&K Yateem Trust Pulwama-
- Federation/Forum:-
  - Auqaf Committee Pulwama-9469633100
  - Traders Federation
- Private Paramedical Institutions:-
  - Phoenix Paramedical College
  - Noorani Paramedical College
  - Dolphin Paramedical College
  - Skylark Paramedical College
- Private Hospitals:-
  - Mohmadia Nursing Home-01933-241800
  - Zenith Nursing Home-990675006
- Suppliers medicine/surgical fluid in district:-
  - Firdous Medical Agency
  - Cooperative Medical Shop
  - Science House Pulwama
- Directorate of Health Services Kashmir
- All employees/Doctors
- Availability:-
  - Telephone
  - PA System
  - FAX

- Desk top
- Wi-fi/Internet
- Photostat Machine

NOTE:- If communication system collapses –request telecommunication wing of police (100).

**a. Reception and Triage Area:**

- Reception- newly located casualty block, can be extended to ground floor of OPD block.
- Triage Area- confined to newly constructed casualty, where there is an established ER. In addition, nearby open space and ward can be used as triage area. In case of mass disaster – can be extended to other areas / spaces as already specified. (Park/GNM School/IPD Building/AYUSH Center)

**b. Emergency Department:- In case of mass disaster**

- **Anesthesiologist** (Dr. Iffat- )
- **Physician** (Dr. Tariq Padder- 9419048895)
- **Ortho** (Dr. Abid Koka-9419080662)
- **ENT** (Dr Irfan-9419760832/Dr. Gh. Qadir-9419030830)
- **Optho** (Dr. A. G. Bhat-9697442754)

- Ab. Rashid Bhat- 9858875748
- Mushtaq Ahmad Mir- 9906727356

Note:- Additional manpower will be mobilized through Command Centre 2 as per need and requirement.

**c. Minor Treatment Area:-**

Minor treatment area is located in ground floor (dressing), first floor (Minor OT).

Note:- In case of mass disaster can be extended to ANMT school halls.

**d. Intake treatment areas:-**

- Include ER Room on ground floor of casualty block.
- General Surgery Theatre
- Ortho Theatre

Note:- In case of Mass Disaster , can be extended to OBG and optho theatres.

**e. Decontamination Area:-**

Will include dressing area in casualty & Minor OT of Casualty Block.

Note:- In case of mass disaster , the decontamination area can be extended to old blood bank building.

**f. Mortuary:-**

Hospital does not have established mortuary, but Old Blood Bank space can be utilized as mortuary.

**g. Security Office:-**

Security has been outsourced to a private security firm. Their office is established near communication/control room.

Note:- In case of mass disaster , additional security requested will be generated through command center 2 & district and police administration.

**h. Disaster Management training to Hospital Staff:-**

Mock Drill is regularly done in ER room of the hospital and through Directorate of Health Services Kashmir at RIHFW Dhobiwan (Skill and Simulation Labs).

**i. Incident Command:-**

Incident Commander Dr Rashid Para (9906627772) coordinates and commands over all disaster response.

**j. Operations Chief:-**

Dr Mohammad Ayoub ( 9906441144) will be designated the operations chief and is overall in-charge of all patient activities and supervises the following areas:-

- Medical care
  - Emergency Department.
  - Critical Care Unit.
  - Surgical Services.
- Ancillary Services
  - Laboratory Services.
  - Radiology Services.
  - Pharmacy Services.
  - Mortuary Services.

**k. Logistics Officer:-**

Dr Ajaz Wani (9469129222) will look after all support system. The logistics chief is overall in-charge of all support services of the hospital and supervises the following area:

- Communication System.
- Transportation.
- Dietary Services.
- Stores
- Sanitation, Water and power supply
-

**l. Planning Officer:-**

Dr Saif-ul-Yamin (9018055564) will be overall in-charge manpower planning (Doctors/Paramedical) and is responsible for making immediate as well as extended schedule of the following:-

- Medical Staff
- Nursing Staff.

**m. Liaison Officer:-**

Dr Reyaz Ahmad Wani (9469030001) will be designated as liaison officer and responsible for maintaining a close liaison with the other agencies providing rescue and relief to the victims of disaster. His work is liaison with following agencies:

- Police
- Ambulance Services
- Other Hospitals in the area.
- Blood Bank
- The Defense Medical services
- Indian Red Cross Society
- Fire and Emergency Services.
- National/State Disaster Rescue Teams

**n. Finance Officer/Purchasing Committee:-**

Medical Superintendent, Section Officer and accountant will purchase emergency drugs and other emergency items if and when needed in the course of the disaster.

**o. Security Officer:-**

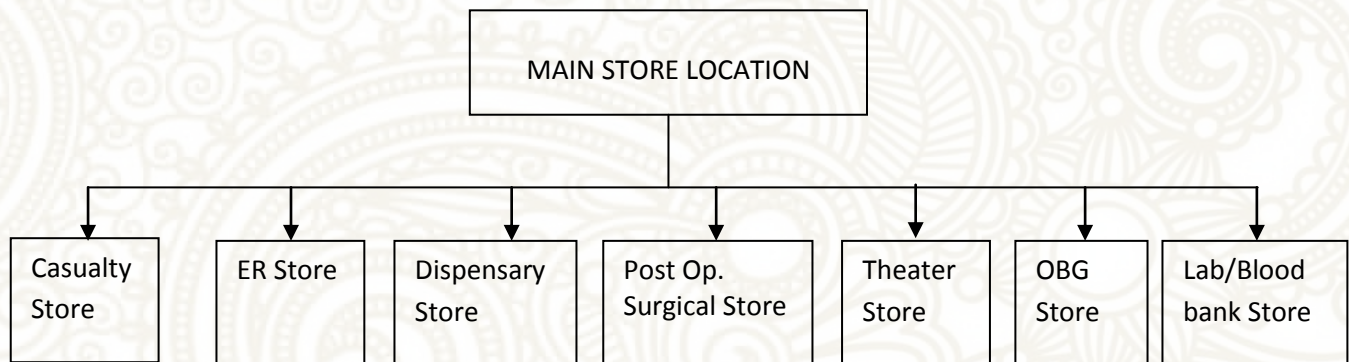

Dr Gowhar Nabi (9906711187) will be I/C security and will coordinate with security persons and other related activities. The hospital security should be operational at very early stage of disaster. Some of the duties recommended are:-

- Work in close coordination with local police.

- Restrict and strictly control access to the hospital
- Direct the entry for authorized person to appropriate area.
- Protect staff/patients and key installations of the hospital.

### 8. Store Plan:-

Note:- Additional Store at the time of disaster will be old immunization Room.

### 9. Mobile Ambulance Services:-

An efficient team for mobile ambulance services is as under:-

- Medical officer:- Dr Fayaz- 9858306060,  
Dr Rafeeq-9858488843  
Dr A G Khan-9469511888
- Nurse :- Firdousa Qadir - 9797154140
- Lab Tech:- Tufail Ahmad- 9419365601
- Driver :- Imran Shafi- 9858418686

*Should immediately rush to the affected area.*

## 10. Referral Institutions:-

• SMHS Hospital	0194-2504114,2477378
