Subject: Documentation of Innovative and Replicable Practices

Sir/Madam,

As you are aware the Directorate of Health has been awarded at the recently held National Summit on Good, Replicable Practices and Innovations in Public Health Care Systems held at Indore on 6-8th July. Perusing the list of awardees and the innovations I could clearly discern that our work in the Directorate of Health Services, Kashmir has on multiple occasions equaled or even surpassed some of the awarded innovations. (this list can be accessed at <http://www.nhmmp.gov.in/goodpracticessummitmp.aspx>). In this context it has been desired by the Principal Secretary, Health & Medical Education Department that the innovations and best practices of the field institutions be documented. It is thus directed that the CMOs convene a meeting with the respective district and block functionaries after circulating the above webpage link with the purpose of studying and evolving from the practices documented in the webpage.

For submitting their innovations and good practices the Directorate of Health Services, Kashmir has created a mechanism for evaluation and thus the same be submitted in the format attached herewith in soft copy as email to: dhsdesk@gmail.com. The undersigned will conduct a meeting regarding the same shortly for which dates will be notified separately. =

(Dr. Saleem-Ur-Rehman)
Director Health Services
Kashmir

Copy to the:

1. Principal Secretary to Government, Health & Medical Education Department, Civil Secretariat, Srinagar for information.
2. P. A. to Director Health Services, Kashmir.
